

# Iris flower picking experience

Machida Yakushiike Park Shikisai no Mori  
At Yakushiike, 2,000 flowering irises bloom in June.

This is the best time to see them. A flower-picking girl picks up flower husks so that the flowers will bloom next year. The sight of them being picked is a typical sight these days.

Why not try your hand at picking flowers while dressed in a Saotome costume? Enter the irises field

Being able to see beautiful flowers up close is a privilege only for flower pickers! is.
